

Pump

Limited warranty

To all original purchasers of its products, **TABEX™**, warrants its products free from defects in materials and workmanship for a period of one year from the date of purchase.

Products which fail or become defective during the warrant period, except as a result of freezing, accident, negligence, improper installation, use, or care, shall be repaired or replaced at our option without charge, within 90 days of the receipt of defective product, barring unforeseen delays.

To obtain warranty replacements or repair, defective products should be returned, transportation paid, to the place of purchase, or to the nearest authorised **TABEX™** service centre. For further **TABEX™** dealer or service centre or information, contact **TABEX™** customer service department. No returns may be made directly to the factory without the express authorization of **TABEX™**.

TABEX™ shall not be responsible for cartage, removal and/or reinstallation labour, or any other such costs incurred in obtaining warranty replacements.

Some provinces do not allow a limitation on how long an implied warranty lasts, or the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights which vary from province to province. This limited warranty is valid and enforceable only in Canada on **TABEX™** products owned and normally operated in Canada.
